- The information is accurate as of the conference dates, June 17-18, 2026.

What does CLEO do?

The image shows a screenshot of the CLEO website homepage. The background is dark blue. In the top right corner, there are links for Accessibility, Search, and Français. Below these is a navigation menu with links for About, Resources, Programs, What's new, and Donate, followed by a prominent yellow button for Order publications. The CLEO logo is in the top left, with the text 'CLEO | Community Legal Education Ontario / Éducation juridique communautaire Ontario'. The main heading reads 'Free legal information that's easy to understand'. Below this is a paragraph: 'Our legal information helps people in Ontario who face barriers to the justice system, including discrimination, income, language, and literacy.' A white button with the text 'Learn more about CLEO' is positioned below the paragraph. On the right side, there is a vertical stack of social media icons for Facebook, X, Twitter, Instagram, and YouTube. A large graphic of an open book with three leaves (yellow, teal, and white) is centered on the right side of the page.
